PRIVATE CHAUFFEUR · CONCIERGE TRANSPORT

A different kind of *journey*.

Discreet, refined private transportation for the most discerning guests of the French Riviera — from yacht-side service in Antibes to villa transfers across the hills of Provence.

"True luxury is not what you see, but what you don't have to ask for."

— TSPDV HOUSE PRINCIPLE

TSPDV is a private chauffeur house based in Saint-Paul-de-Vence, dedicated exclusively to the highest standard of personal transport along the French Riviera. We do not operate as a fleet for hire. We work hand-in-hand with concierges, yacht managers, family offices, and villa stewards to deliver journeys that are anticipated, never improvised.

Each booking is treated as a single composition: vehicle, route, timing, and chauffeur are matched to the guest, never the other way around. From a quiet airport collection at Nice to a multi-vehicle ballet across an evening gala at Domaine du Mas de Pierre, the discipline is the same — be present, be precise, be invisible until needed.

01

Private Chauffeur

Half-day, full-day, and multi-day reservations with a dedicated chauffeur and vehicle assigned to your guest for the duration.

02

Yacht-Side Service

Quayside collection and return for owners and charter guests in Antibes, Cannes, Saint-Tropez, Monaco, and along the entire Riviera.

03

Villa Transfers

Discreet transport between private villas, fine restaurants, designer boutiques, and partner properties across the hills of Provence.

04

Event Coordination

Coordinated multi-vehicle deployments for weddings, corporate galas, and private receptions, with staggered rotations on the return.

05

Airport Liaison

Meet-and-greet collection at Nice, Cannes-Mandelieu, and Monaco heliport, with luggage assistance and silent transfer to your destination.

06

Personal Concierge Assistance

Errands, parcel collection, restaurant reservations, and discreet on-the-day requests handled by your chauffeur with the utmost confidentiality.

The *Mercedes-Benz* V-Class First-Class Edition.

An interior built for stillness.

Every TSPDV vehicle is a late-model Mercedes-Benz V-Class, finished in deep obsidian black with a full beige leather interior. Three rows of individual captain seats, generous legroom, ambient lighting, panoramic side windows with privacy tinting — the cabin is engineered to make the journey feel shorter than it is.

Climate is independently controlled across all rows. Each seat is served by USB charging. The latest Mercedes infotainment is at the chauffeur's disposal for the smoothest possible itinerary.

VEHICLE	Mercedes-Benz V-Class
CONFIGURATION	7 Passengers
UPHOLSTERY	Full Beige Leather
